

DATA SHEET

ARNIMASSAGE

COMPOSITION

Water • *Olea europaea* leaf extract • *Arnica* glycolic extract • *Robinia pseudoacacia* flower extract • *Mentha arvensis* herb oil

DOSAGE AND METHOD OF USE

- Shake well before use
- apply and massage on muscles, tendons and joints
- do not apply to wounds or damaged skin

PACKAGING

1 litre bottle

DESCRIPTION

Gel based on **arnica** and **plant extracts**.

The ingredients in Arnimassage help generate a flow of blood to the area of application. It is useful for reducing the risk of muscle-tendon and joint problems, allowing you to work in the best conditions.
